## MESSAGE

For any Emergency the care which is delivered in the first 60 minutes will completely change the outcome of the patient especially in Trauma, Acute MI, Brain stroke and Sepsis. This conference is designed to educate and train the Health care professionals in the management of the sick patients in the golden hour. We will be emphasising on the approach to such patients in ER and discussing the Advanced treatment modalities available in current era. I welcome you all for the **“First of its kind Emergency Medicine Conference: Golden Hour - The GaME ChangER”**

**Dr Sateesh Kumar Kailasam**

Organising Chairman

---

## MESSAGE

Quality care by an expert team is the mantra to save the lives of sick patients coming to hospitals - Every healthy care professional must know about the advances in Golden hour management for the best outcome of the patients presenting to the ER This conference will enlighten the advances in the clinical management of Acute MI, Stroke, Sepsis and Trauma.

**Dr Sharath Reddy A**

Executive Director &

Senior Interventional Cardiologist
